Social Media Sites You Need to Know

It was Founded on February 4, 2004, its mission statement is: "Give people the power to build community and bring the world closer together."

Here are a few features that make Facebook so popular:

1. Facebook allows you to maintain a friends list and choose privacy settings to tailor who can see content on your profile.
2. Facebook allows you to upload photos and maintain photo albums that can be shared with your friends.
3. Facebook supports group pages, fan pages, and business pages that let businesses use Facebook as a vehicle for social media marketing.
4. You can stream video live using Facebook Live.
5. Chat with Facebook friends and family members, or auto-display Facebook pictures with the Facebook Portal device.
