Social Media Sites You Need to Know

INSTAGRAM

Instagram also known as IG or Insta is a photo and video-sharing social networking service owned by Facebook, Inc. It was launched in October 2010 exclusively on IOS. A version for Android devices was released a year and half later, in April 2012, followed by a feature-limited website interface.

Here are a few features that make Instagram so popular:

1. Posting interesting, colorful photos and videos.
2. The use of hashtags.
3. The ability to explore popular pages, to find great new content.
4. Posting often to keep your followers interested
5. The ability to interact with your followers
6. The ability to post stories
